Attn: Mr. Robert Blais

Unit 12 PMB 283  
Seekonk, MA 02771-5823

Dear Mr. Blais:

I would be remiss not to thank you for The Blazeman Foundation for ALS's ongoing generosity to Northwestern University Feinberg School of Medicine. Your tremendous dedication to the fight against ALS is a boon to the research conducted by our talented physician-scientists Dr. Teepu Siddique, a pioneer in this field, and Dr. Kaouther Arjoud, the Blazeman Foundation for ALS Post-Doctoral Fellow. As we strive to find a cure for ALS patients everywhere, we remain ever grateful for your support.

Once again, on behalf of Drs. Siddique and Arjoud, as well as our entire medical community, thank you for your dedication.

Best regards,
