Dear Dr. Zielke,

Currently we have funded a project entitled "Establishment of the Blazeman ALS Tissue Collection". The initial proposal was funded from December 1, 2011 through November 30, 2013.

We are satisfied with the progress you have made and want to continue the effort. We understand that funds still remain in the account. We would like to continue our relationship on this critical project. Therefore, I would like to extend the current contract until November 30, 2015. Please contact us in the event that funds run out prior to that time. We can negotiate additional funding.

Sincerely yours,

Robert D. Blais, President
Blazeman Foundation for ALS
