Dear Mr. and Ms. Blais,

It is my pleasure to acknowledge your recent remittance in support of the Blazeman Foundation for ALS Postdoctoral Fellow Mugdha Deshpande, who conducts her research in the laboratory of Professor Avi Rodal. As the new president of Brandeis University, I was pleased to learn of your generous support, which is essential to the efforts of Professor Rodal and her team as they continue to make remarkable advances into understanding ALS.

Your dedication to combating this insidious disease is an inspiration, and I thank you for allowing Brandeis to join you in the fight. We remain grateful for your partnership and I look forward to keeping you updated on our progress.

Best regards,
